The NASA Solutions for Enterprise-Wide Procurement (SEWP) V contract is a government-wide acquisition contract (GWAC) for Information Technology products and services. It is an indefinite delivery, indefinite quantity (IDIQ) contract. All federal government agencies and authorized government prime contractors are able to use the SEWP contract, and there is no per-agency limit. SEWP V contracts are managed and administered by NASA's Goddard Space Flight Center (GSFC) at the NASA SEWP Program Management Office (PMO). There is a SEWP V administration surcharge of (0.34%) included on all products on contract.

Ordering Information

All Delivery Orders must be routed through the SEWP Program Office (PMO) and should not be sent directly to Akira Tech. SEWP orders can be placed in several ways:

- Email a .pdf or image file to: sewporders@sewp.nasa.gov
- Fax orders and completed forms to: (301) 286-0317
- Mail orders to: SEWP Program Management Office (PMO) 10210 Greenbelt Road, Suite #200 Lanham, MD 20706

Additional information is on NASA's website www.sewp.nasa.gov/ordering.shtml#OVER

Credit Card

Akira Technologies is authorized to accept Government credit card orders directly for purchases. There is no SEWP contractual limit on credit card orders. Purchase card limits are based on the individual's own agency's limit. Micro-purchase orders (under \$3000) may be sent to Akira Technologies directly. Akira Technologies will forward the order information to the NASA SEWP Program Office for processing and tracking. All Delivery Orders paid by Credit Card must be routed to the NASA SEWP Program Office from the customer regardless of the order total.
